System Requirements:

Ratings: Graphics: 9/10 – Great graphics, with good frame rate and good textures, everything looks good. Sound: 8/10 – Great audio, fitting for the game. The voice acting and sound effects are great, and the music is really good. Controls: 8/10 – Great gamepad support, this could be a major selling point for people who want to play the game with a controller. Gameplay: 7/10 – Slow, boring, and not very difficult, but not too difficult either. Combat is
