Ask us anything! Our phones don't just tap and buzz. They buzz and tap. Every day for 40 years, we've been doing something we're very good at—and it's something you may have heard about before, too. But we want to shine a light on it and show you how we're revolutionizing the way people think about buying stuff. It's called our Feathr experience, and we're making our names better for you with every signup. Back in the day, if you had a question for one of our customers, you'd have to call them. Have questions about what you're seeing on their screen? Call them. Need help navigating the website? Call them. Need a phone number for a product or service? Call them. It was a lot of work and kind of a pain. Thankfully, that
