Within the GUI, you can select the following items: torrent titles, languages,. we considered issues concerning the dismissal of causes of action. That issue has long since been resolved by the Supreme Court. The question is whether the district court abused its discretion in denying the request to amend the complaint. We find no such abuse of discretion, given the fact that Riverstone had more than three years in which to seek leave to amend its complaint. Accordingly, the district court did not abuse its discretion in denying the request to amend and the judgment is affirmed. AFFIRMED. 4 A record number of college students in Canada will be heading into the new academic year without enough money to cover rent,
