XXX-GALLERY XNXX At this point, you need to  
know if your girlfriend wants to be a porn star.  
you can see a lot of videos of different porn  
stars who have their own websites. Also, it is a  
big plus if the person likes to film videos. They  
need to have a good camera to capture intimate  
moments. If she has no experience, it is still ok.  
But, remember that it is a good way for her to  
know what to do in the future. if you want to see  
a girl doing something, you better start filming  
and watch after. Showing her how to do it is  
really helpful. after all, this is going to be her  
new job soon. She will need a good camera and  
a personal website. After the first video, she will  
be a little too embarrassed, but after that,  
things will start to heat up as you get used to it.  
It will be easy to do and it will give you a great  
ego boost. After the first experience, you need  
to ask her. Depending on her answer, you will  
need to decide whether she will work on being a  
porn star
