
Camphor Pro Font Family !!EXCLUSIVE!!

[Download](#)

Camphor Pro Font Family. Inspired by Edward Johnston's London Underground typeface and Eric Gill's Gill Sans® , Camphor™ is also based on European . Sans® , but more in line with classic typographic standards. The proportions and shape of the fonts allow them to play with contrast, making them ideal as accents in your design. Unlike Gill typeface, Camphor™ offers a crisper, wider style that also has a clear topline. Because Gill is a typeface with a heavy emphasis on angular style, it works well with both small and large sizes in design. It's also not too small.

Camphor Pro Font Family

The design of the UIC Font Family supports complete accessibility and user-friendliness.

User needs and special requirements
